

Board of Health Briefing Note

Repeal of Building Code Act Bylaw (Sewage System Inspector)

Issue

The Health Unit Building Code Bylaw is used to appoint Public Health Inspectors as Sewage System Inspectors. The Building Code Bylaws currently include the following Sewage System Inspectors. Given the sun-setting of the Land Control Program the following staff are no longer working in the Land Control program.

- #3 BCA Nancy Carpenter
- #20 BCA Ben MacNeil
- #27 BCA Kortney Larock

Recommendation:

- That bylaw #3 BCA be repealed.
- That bylaw #20 BCA be repealed.
- That bylaw #27 BCA be repealed.

Submitted by:

Rebecca Ferguson, Director, Population Health
Kim McCann, Manager, Community Health Protection Division
