

There will be **no reception coverage** available in the Gananoque service site of the South East Health Unit.

Staff continue to work in this office and will work with community residents to support access to services upon request.

Services can be requested by contacting us using the following methods:

- Call **1-800-660-5853** (There is a phone in the lobby of the Gan office of the UCLG that can be used to access the 1-800 number).
- Email contact@healthunit.org.
- Visit website **www.healthunit.org** – Clinics can be booked online and a listing of services is available.
- Follow **LGLHealthunit** on Facebook, X and Instagram – send a direct message (this is not for urgent needs).
