Shelley More (Executive Director): [ed@ruralfasd.ca](mailto:ed@ruralfasd.ca)  
Judith Peak (Program Coordinator): [pc@ruralfasd.ca](mailto:pc@ruralfasd.ca)  
Samantha Tse (Program and Marketing Assistant): [info@ruralfasd.ca](mailto:info@ruralfasd.ca)

Rural FASD Support Network was founded in 2018 by a small group of dedicated volunteers with personal knowledge of, and experience with FASD. We serve the counties of Lanark and Leeds & Grenville within Eastern Ontario but welcome all across the province of Ontario. We became a non-profit corporation in 2019 and currently serve 156 members.

Our purpose is to connect caregivers and individuals impacted by FASD with appropriate local support and resources.

Utilizing the lived experiences and expertise of peers, families, and professionals we focus on helping those affected by FASD access resources, services, and information that can best support them.

We believe that with the proper supports, individuals and families impacted by FASD can achieve success and reach their full potential.

For more information please contact us at [info@ruralfasd.ca](mailto:info@ruralfasd.ca) or phone 1-877-708-2047 or check out one of our many social media platforms (Facebook, Instagram, Twitter).
